

PLASTIC TIE HOLE PLUGS

TECHNICAL DATA SHEET

DESCRIPTION:

Plastic Tie Hole Plugs are made to fit into standard holes drilled in concrete form ply. Available in four hole sizes: 9/16", 13/16", 1-1/16", and 1-5/16".

APPLICATION:

Plastic Form Plugs are simply pushed into place by hand to fill any unwanted holes in form ply, to eliminate grout leakage on future pours.

SIZE	PRODUCT CODE	WEIGHT	PACKAGE
9/16"	PLG916	12.0 LBS. BAG	5000 / BAG
13/16"	PLG1316	10.0 LBS. BAG	2500 / BAG
