

DELUXE SCAFFOLD JACK

TECHNICAL DATA SHEET

DESCRIPTION:

Deluxe Scaffold Jacks hook over 2x4 or 2x6 walers to provide secure scaffolding on wall forms.

APPLICATION:

The Deluxe Scaffold Jacks provides the framework for 2x10 planks to make a convenient working platform. The built-in guardrail receptacle makes it easier to install a safe and economical safety rail. Space at 8'-0" max. centers. It can be installed over horizontal walers, as well as a flush mount application with She-Bolts.
