

LACKEY BRACKETS

TECHNICAL DATA SHEET

DESCRIPTION:

Adjustable concrete edge form support bracket. Ranges in size from 18"x18" to 60"x60", with custom sizes available upon request.

APPLICATION:

Lackey Brackets are used for supporting all types of concrete edge forms. Made from high-quality steel, these brackets are reusable and are commonly used with round steel stakes. The use of Lackey Brackets eliminates the inefficiency of wood bracing by providing different angles of adjustability.

COMPATIBLE WITH:

- 3/4" Round Steel Stakes
- Impalement Caps
